TERMINAL DISCLAIMER UNDER 35 U.S.C. § 1.321

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Bioinstco Corp., the owner of record of the entire right, title and interest in and to the captioned application hereby disclaims the terminal portion of the term of any patent to issue upon the captioned application which would extend beyond the expiration of the full term of U.S. Patent No. 6,647,123. Bioinstco Corp. expressly does not disclaim any portion of the term of the patent to issue upon the captioned application prior to the full term of U.S. Patent No. 6,647,123, if, for example, U.S. Patent No. 6,647,123 expires before such full term for failure to pay a maintenance fee, declaration of invalidity, dedication of subject matter, etc. Any patent to issue on the captioned application shall be enforceable only for and during such period that such patent is commonly owned with U.S. Patent No. 6,647,123.

In accordance with 37 C.F.R. § 3.73, the assignee, through its undersigned representative, certifies that the evidentiary documents reflecting title to the assignee have been reviewed, and to the best of the assignee's knowledge and belief, title is in the assignee seeking to take this action.
